### ACPE & BCIDP ACCREDITATION

The Continuing Pharmacy Education (CPE) activities are jointly provided by ProCE, LLC and the Society of Infectious Diseases Pharmacists (SIDP). ProCE is accredited by the Accreditation Council for Pharmacy Education as a provider of Continuing Pharmacy Education. The release date for these four activities is November 6, 2021. A maximum of 3.25 contact hours may be earned for participation in the four CE activities. Participants must complete an online post-test and evaluation for each session they attend to receive pharmacy CE credit. Proof of completion will be posted in NABP CPE Monitor profiles. All post-tests and evaluations must be completed no later than December 10, 2021. No partial credit will be given for any individual session. The Target Audience for these CPE activities is pharmacists.

The Society of Infectious Diseases Pharmacists (SIDP) is accredited by the Board of Pharmacy Specialties (BPS) as a provider of board certified infectious diseases pharmacist (BCIDP) credit. A BCIDP statement of credit will be issued online upon successful completion of each of the post-tests and online evaluations. Each of the post-tests must be successfully completed in only one attempt. No partial credit will be given. BCIDP accreditation begins 11/6/2021 for these activities and is available for one year from this date. View all recertification criteria on the BPS website at <https://www.bpsweb.org/recertification/recertification-by-continuing-education>

### Faculty Disclosure

It is the policy of ProCE, LLC to ensure balance, independence, objectivity and scientific rigor in all of its continuing education activities. Faculty must disclose to participants any significant financial interest or affiliation with companies that manufacture or market products discussed during their presentation.
