# 2018 SIDP Annual Meeting

## About the Event

The Society of Infectious Diseases Pharmacists (SIDP) Annual Meeting consists of a business meeting with strategic planning, awards recognition, continuing education (CE) sessions, and a reception. The CE sessions are intended for pharmacists or other individuals who have interest in the topics and are designed to be knowledge enhancing and interactive, focusing on the areas of antimicrobial therapy optimization and antimicrobial stewardship programs.

Strategic Planning

## Continuing Education Credit

The Continuing Pharmacy Education (CPE) activities are being developed through a joint providership of ProCE, Inc. and the Society of Infectious Diseases Pharmacists (SIDP). ProCE is accredited by the Accreditation Council for Pharmacy Education as a provider of Continuing Pharmacy Education. The release date for these five activities is October 2, 2018. A maximum of 3.5 contact hours may be earned for participation in the five CE activities. The conference registration fee covers the cost of CPE credit. Participants must complete an online post-test and evaluation for each session they attend to receive pharmacy CE credit. Proof of completion will be posted in NABP CPE Monitor profiles. All post-tests and evaluations must be completed no later than November 2, 2018. No partial credit will be given for any individual session. The Target Audience for these CPE activities is pharmacists. Conflict of interest disclosures are required of all faculty and shall be provided to all participants at the conference.

## Faculty Disclosure

As a provider accredited by ACPE, it is the policy of ProCE, Inc. to ensure balance, independence, objectivity, and scientific rigor in all educational activities. A potential for bias may exist if a continuing education faculty member is affiliated with or has a financial interest in any organization(s) that may have a direct interest in the subject matter of the presentation. Situations involving potential bias are not inherently problematic or unethical, but the prospective audience must be made aware of the affiliation or financial interest. It is intended that any potential bias be identified openly so that the audience is provided full disclosure of the facts and may form their own judgments about the continuing education activity content.
