

# Call for Nominations

## Society of Infectious Diseases Pharmacists

### Distinguished Service Award 2022

The Society of Infectious Diseases Pharmacists (SIDP) is pleased to solicit nominations for the **Distinguished Service Award**. The intent of this honor is to recognize outstanding and sustained service to the Society. The award is given only when a particularly noteworthy candidate has been identified as providing outstanding contributions to the Society or ensuring the advancement of its goals that far exceed the usual devotion of time, energy, or material goods. The award is not an annual award per se. It is awarded when there are truly outstanding candidates nominated.

The “Distinguished Service Award” is awarded to a pharmacist who has been or is currently a full member of SIDP. Only under extraordinary circumstances may a pharmacist be considered who has never been a member and that pharmacist must have significantly contributed to the achievement of the mission of SIDP over a sustained period of time of at least 10 years. The following factors will be considered by the selection committee comprised of SIDP Board members, who have not been involved in the pharmacists’ nominating process:

- (a) Years as a member of SIDP with a minimum of 5 years of continuous service
- (b) Elected offices or nominations accepted (demonstrates willingness to serve)
- (c) Active participation in committees (standing or ad-hoc)
- (d) Contributions to practice and education (students, post-doctoral trainees, pharmacists, society members and/or other healthcare professionals; individuals with significant contributions to patients or layperson education may also be considered)
- (e) Scientific or professional writing (peer-reviewed and non-peer reviewed)
- (f) Representation on professional or regulatory committees external to SIDP

This award provides a plaque to the recipient at the SIDP Business Meeting and Lecture Series at **IDWeek™ 2022**. You may nominate any candidate, including yourself (which is encouraged). With your nomination, include a written description of what the candidate has done and why he or she is being nominated. The process of acquiring and verifying candidate information is the responsibility of the Recognition Awards Committee.

**Nomination supporting materials should consist of:**

- a) The nominee’s curriculum vitae, resume, or biographical sketch as available.
- b) Minimum of three letters of support that describe the individuals’ accomplishments relative to the award criteria.
- c) One letter of support must be from a current member of the SIDP Board
- d) Current members of the board are ineligible to be nominated
- d) A letter from the nominee stating his/her willingness to 1) accept the nomination (if nominated by a colleague), and 2) be present to accept the award at the SIDP Business Meeting and Lecture Series at **IDWeek™ 2022**.

***Please Submit Nominations To:***

Jessica Cottreau, Chair of the Recognition Awards Committee
