

2023 Gita Patel Best Practice Award: Dr. Ashley Wilde

Best Practice: Opt-Out Antimicrobial Stewardship

- Novel electronic intervention program
- ID pharmacy specialists may implement stewardship recommendations after 24 hours, per policy, if no provider declined the intervention

Impact:

- Nearly 6000 recommendations in 2022 to de-escalate or discontinue antibiotics
- Accepted recommendations: 47%
- Therapeutic optimization in about 2800 patients
- 25% reduction in targeted antibiotics
