

## Society of Infectious Diseases Pharmacists Educational Grant Program

SIDP is committed to our vision of safe and effective antimicrobials for now and the future. Therefore, we offer the opportunity for other non-profit organizations or individuals to apply for funding to support initiatives that align with the mission, vision and core values of SIDP. Applications will be considered for sponsorship of conferences (including sponsorship of SIDP member speakers), initiatives that provide public education, and/or support novel training mechanisms for healthcare professionals.

*The Society of Infectious Diseases Pharmacists (SIDP) is an association of pharmacists and other allied health care professionals committed to promoting the appropriate use of antimicrobial agents and supporting practice, teaching and research in infectious diseases.*

### SIDP MISSION/ VISION

**Mission:** ADVANCE infectious diseases pharmacy and LEAD antimicrobial stewardship to OPTIMIZE the care of patients with infections.

**Vision:** Safe and effective antimicrobials for now and the future.

### CORE VALUES

- Challenge, empower, and mentor our members to achieve the highest levels of professional excellence.
- Innovate and collaborate to create solutions that advance effective use of antimicrobials.
- Embrace and promote a culture of integrity and transparency.

Requests for funding (500 word maximum) should include the following information:

1. Describe your project and how it relates to SIDP's mission, vision and core values.
2. Describe expected project outcomes.
3. Provide a detailed budget for the requested funds (\$500-\$2500 maximum)

Requests can be sent to [sectreasurer@sidp.org](mailto:sectreasurer@sidp.org) and will be reviewed by the Board as received.

*This mechanism is not intended to support research. Please refer to our website ([www.sidp.org](http://www.sidp.org)) for information on our regularly offered research award opportunities.*
