2018 SIDP Annual Meeting

About the Event

The Society of Infectious Diseases Pharmacists (SIDP) Annual Meeting consists of a business meeting with strategic planning, awards recognition, continuing education (CE) sessions, and a reception. The CE sessions are intended for pharmacists or other individuals who have interest in the topics and are designed to be knowledge enhancing and interactive, focusing on the areas of antimicrobial therapy optimization and antimicrobial stewardship programs.

Please make sure that you follow and join the SIDP experience on Twitter at #SIDP2018. If you have any questions throughout the sessions, please tweet them to #AskSIDP.

Our Mission
ADVANCE infectious diseases pharmacy and LEAD antimicrobial stewardship in order to OPTIMIZE the care of patients.

Our Vision
Safe and effective antimicrobials for now and the future.
Program Agenda

12:00 - 12:30 pm  President’s Welcome & Business Meeting  
SIDP President

12:30 - 1:15 pm  SIDP Strategic Planning  
Bylaw Member Voting

1:15 - 2:00 pm  Dueling Recommendations: When to Use Dual Therapy  
Julie Ann Justo, PharmD, MS, BCPS-AQ ID  
ACPE: 0221-9999-18-378-L01-P

2:00 - 2:45 pm  Adult Vaccines in 2018: Where Do We Start?  
Jeff Goad, PharmD, MPH, FAPhA, FISTM, FCPhA, FCSHP  
ACPE: 0221-9999-18-379-L01-P

2:45 - 3:15 pm  Break With Research Award Posters

3:15 - 4:00 pm  Strategies to Decrease Vancomycin-Associated Nephrotoxicity – What Is Their Worth?  
Kari Mergenhagen, PharmD, BCPS (AQ-ID) and Emi Minejima, PharmD  
ACPE: 0221-9999-18-380-L01-P

4:00 - 4:30 pm  Infectious Diseases Team Trivia  
Douglas Slain, PharmD, BCPS, FCCP, FASHP  
ACPE: 0221-9999-18-381-L01-P

4:30 - 5:15 pm  Keynote Lecture: Policy Advocacy for Your Community  
Kavita K. Trivedi, MD, Principal, Trivedi Consults, LLC and Sanjay Ranchod, JD, Director and Counsel, Tesla

Installation of the Incoming Board Members

6:00 - 9:00 pm  Reception (Located in the same facility directly following the meeting.)

*Agenda, times, speakers, and topics subject to change.
Learning Objectives

Dueling Recommendations: When to Use Dual Therapy
Julie Ann Justo, PharmD, MS, BCPS-AQ ID

Objectives:
1. Summarize combination gram-negative therapy recommendations from the Surviving Sepsis and Infectious Diseases Society of America (IDSA) hospital acquired pneumonia (HAP)/ventilator associated pneumonia (VAP) guidelines.
2. Illustrate discrepancies between national guideline recommendations and primary literature regarding use of combination therapy for gram-negatives.
3. Identify practical tools to assist in the antibiotic selection for gram-negative infections.

Adult Vaccines in 2018: Where Do We Start?
Jeff Goad, PharmD, MPH, FAPhA, FISTM, FCPhA, FCSHP

Objectives:
1. Discuss recent outbreaks of vaccine preventable disease, how resistance and vaccines have impacted one another, and implications for vaccine advocacy.
2. Review both the advantages and potential safety concerns with new vaccine adjuvants.
3. Describe recent updates to ACIP adult immunization recommendations.

Strategies to Decrease Vancomycin-Associated Nephrotoxicity – What Is Their Worth?
Kari Mergenhagen, PharmD, BCPS (AQ-ID) and Emi Minejima, PharmD

Objectives:
1. Examine strategies to decrease vancomycin-associated nephrotoxicity.
2. Evaluate the potential risks of implementing a strategy.
3. Evaluate the potential benefits of implementing a strategy.

Infectious Diseases Team Trivia
Douglas Slain, PharmD, BCPS, FCCP, FASHP

Objectives:
1. Discuss new antimicrobials or new diagnostics to help with antimicrobial selection.
2. Review infectious diseases best practices to optimize patient care and antimicrobial stewardship.

Keynote Lecture: Policy Advocacy for Your Community
Kavita K. Trivedi, MD, Principal, Trivedi Consults, LLC and Sanjay Ranchod, JD, Director and Counsel, Tesla

Objectives:
1. Describe a case study of changing state law to improve patient safety.
2. Explain how professionals can effectively advocate to policymakers.
3. Identify action items that you can take with local elected officials.
Continuing Education Credit

The Continuing Pharmacy Education (CPE) activities are being developed through a joint providership of ProCE, Inc. and the Society of Infectious Diseases Pharmacists (SIDP). ProCE is accredited by the Accreditation Council for Pharmacy Education as a provider of Continuing Pharmacy Education. The release date for these five activities is October 2, 2018. A maximum of 3.5 contact hours may be earned for participation in the five CE activities. The conference registration fee covers the cost of CPE credit. Participants must complete an online post-test and evaluation for each session they attend to receive pharmacy CE credit. Proof of completion will be posted in NABP CPE Monitor profiles. All post-tests and evaluations must be completed no later than November 2, 2018. No partial credit will be given for any individual session. The Target Audience for these CPE activities is pharmacists. Conflict of interest disclosures are required of all faculty and shall be provided to all participants at the conference.

Faculty Disclosure

As a provider accredited by ACPE, it is the policy of ProCE, Inc. to ensure balance, independence, objectivity, and scientific rigor in all educational activities. A potential for bias may exist if a continuing education faculty member is affiliated with or has a financial interest in any organization(s) that may have a direct interest in the subject matter of the presentation. Situations involving potential bias are not inherently problematic or unethical, but the prospective audience must be made aware of the affiliation or financial interest. It is intended that any potential bias be identified openly so that the audience is provided full disclosure of the facts and may form their own judgments about the continuing education activity content.
